Colleen Bawn Rock, in the Middle Lake, Killarney, is close to the Brickeen Bridge. Here it was, according to tradition, that the cruel Danny Mann flung the Colleen Bawn (the fair-haired girl) into the water. The rocks and headlands which abound at this part are the wildest and highest in the lakes.

Dear Mary,

Hoping you  
are having a little  
better weather than we  
are here. It is miserable,  
raining on & off all day.  
I guess you are thinking  
of me, still at the old, old  
place, (Leicester) Talk about  
"rare to be some folks"  
I should think it <sup>is</sup> shall.  
rare to say goodbye, want my supper

This I like  
you are there
